## Fernie Brewing Co. Bulk Ordering

### FBC Bulk Products

#### Kegs

- Perfect if you're having a party, wedding or any sort of gathering where you're looking for a cost effective beer option.

#### Packaged Product

- If you also want some Packaged Product, FBC has a wide range of Packaged Products, perfect for wedding favours or wedding party gifts!

### Do I need a Liquor License?

Whether you are having Kegs or Packaged Product, unless you are serving beer at your home, then generally you need a Liquor License. Go to your local LDB Liquor Store to ask, then fill in the paperwork and pay the small fee so you're licensed.

### What to order

- If you're not sure what you want to order, pop by FBC Mon-Fri 1-5PM and we can help you pick the right product and the right quantities! We can also offer samples of anything we have on tap, or you can buy cold product to take home to sample!

### How to order

#### If you are getting a Liquor License

- If you need a Liquor License, then order your FBC product from the Liquor Store where you got your License. You can return any unused kegs and/or packaged product, you just need to order through the Liquor Store so it matches your License.

#### If you don't require a Liquor License

- Then you can order product directly from FBC. Call or pop in Mon-Fri 1-5PM.
- A Credit Card is required to hold your order and product can be picked up Mon-Fri 9-5PM, or Saturday 1-5PM during the summer.

### When to order

- It is advised to order as far in advance as you can, especially if during the busy summer season and on weekends!
- For Kegs, ordering about two weeks out is generally sufficient. If you are ordering 30L kegs (pony kegs) or if you wish to rent pumps or a beer pouring system, it is suggested you order as far in advance as you can.
- For Packaged Product, the Liquor Store needs to order this in, so again two weeks out is sufficient.

### What else do I need to know?

- You can rent a hand pump for \$10 (+ \$50 deposit) or a pouring system with CO2 for \$50 (+ \$100 deposit).
- All kegs come with large tubs free of charge (+\$40 deposit), to keep it on ice. All kegs have a \$100 deposit on them.
- Full payment is required at time of purchase. Kegs that have not been tapped or packaged product that has not been used (must be full cases or flats) can be returned for a full refund.

### FBC Tours

- FBC runs Tours Friday's at 3PM or we can offer Private Tours for groups of 8+. A lot of weddings use these as a wedding weekend activity and gives the guests a chance to try the beer and even pick the products they want to have at the wedding!
